

Ritex Overseas Pvt. Ltd. (India)

**Put your best foot forward,
let your socks do the talking.**

About:

Ritex is an ISO and SEDEX-certified, export-oriented company specializing in the manufacturing of high-quality socks in India.

Established in 1980, Ritex has been catering to both international and domestic brands for over 46 years, delivering socks that meet diverse tastes and demands with precision and quality.

MEET OUR Founder

Mr. Gopal Goswami

With over four decades of experience in the textile industry, Mr. Gopal Goswami is the visionary founder of Ritex. He began his journey in the world of textiles through socks dyeing, learning the nuances of the craft from the ground up. Driven by his passion, dedication, and relentless zeal for growth, he expanded his expertise into socks knitting—laying the foundation for what Ritex is today.

Mr. Goswami's dream has always been to become a leading force in the industry—a true king in his field. His unwavering commitment and innovative spirit continue to inspire every member of the Ritex team. Under his leadership, we are united in our mission to turn this dream into reality and establish Ritex as a benchmark of excellence and success in the textile world.

Journey

- **2025**
with 448 machines in operation, our production capacity now now reached nearly 2,75,000 dozen per month.
Started a new vertical-OEM open Footwear.

- **2021**
Operating with 240 knitting machines, achieving an output of around 140,000 dozen pairs monthly.

- **2016**
Increased to 180 machines, with a monthly production of approximately 100,000 dozen pairs.

- **2011**
Grew to 125 socks knitting machines, reaching a capacity of around 75,000 dozen pairs monthly.

- **2005**
Expanded operations to 84 machines (mechanical and computerized), producing approximately 50,000 dozen pairs monthly.

- **1999**
Launched our own brand, "Logo" socks, and incorporated Ritex Overseas Pvt. Ltd.

- **1995**
Invested in computerized socks knitting machines, enhancing production capabilities.

- **1988**
Began trading yarn alongside socks manufacturing.

- **1984**
Expanded into socks manufacturing with six mechanical knitting machines.

- **1980**
Founded as Goswami Hosiery Works, initially specializing in the dyeing of socks.

MISSION

Our Purpose

**We make socks
that perform.**

Mission

We are committed to delivering world-class quality to our customers, upholding our promises of quality consistency, timely shipments, and a transparent business approach.

Vision

To be a leading and trusted international brand, creating sustainable value for our stakeholders and achieving customer satisfaction by delivering excellence through the highest quality resources and world-class systems. For over 46 years, we've cared about what you put on your feet. To us, socks are never just socks they are the unsung heroes of the wardrobe. They help you look good, feel good, and have fun, while keeping you warm, cool, comfortable, dry, healthy, and energized.

Our Policies

Sustainability : We conduct business with a commitment to minimizing our environmental impact. Supporting the Local Community : We are dedicated to supporting our local community and contributing to the Indian economy.

Quality: We strive to deliver the highest quality in both products and services for our customers.

Innovation: We continuously innovate and enhance our processes, products, and employee development.

Teamwork and Respect: Our team works together with respect, achieving our goals through collaboration, which helps us grow our global market share.

MANUFACTURING QUALITY

Quality Management System

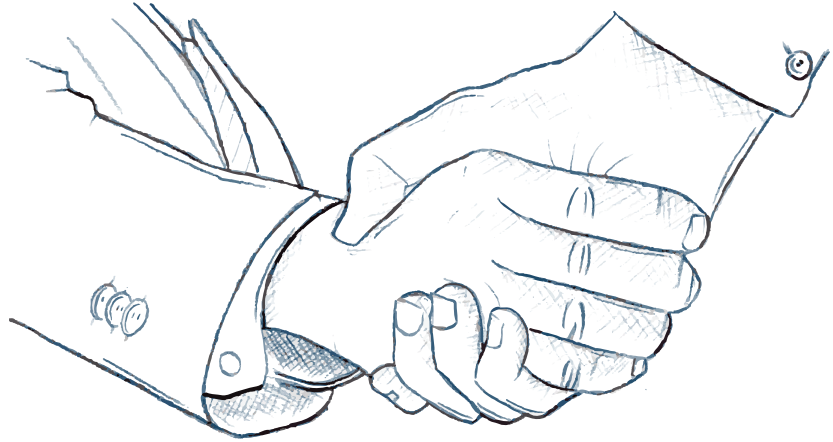

In-House Testing Lab

We maintain an in-house lab for testing yarns and socks, ensuring that all products meet the specific quality parameters required by each buyer.

At Ritex, we are committed to producing top quality knitted socks while striving to minimize our impact on the environment. With over 46 years of experience, we offer a complete range of socks, including casual, formal, everyday, sports, yoga, and diabetic socks. We take pride in delivering superior products of outstanding quality at the best possible price.
